CINEMA

I'LL DO ANYTHING

★★

STARRING: Nick Nolte and Albert Brooks
DIRECTOR: James Brooks

RATING: PG-13
RUNNING TIME: 115 min.
PLAYING AT: Movies 12

By Charles Riedl

For the Oregon Daily Emerald

Well folks, believe it or not this film was actually a former musical that was both written and directed by James Brooks.

Nick Nolte and Albert Brooks star in this dynamic but questionable film that pokes vicious fun at mentalities that surround a Hollywood production. This is a subject that is becoming increasingly more stale with each new attempt, and it takes a monumental effort from the extremely potent Albert Brooks to salvage the film's overall effect.

Nolte seems seems somewhat out of place.
