Women's history Month

"There is a woman at the beginning of all great things."
ALPHONSE DE LAMARTINE (1790-1869)
from *A Miscellany of Women's Wisdom* by Jane Lyle

COMING ON STRONG Gender and Sexuality in Twentieth-Century Women's Sport by SUSAN K. CAHN

Coming On Strong

Gender and Sexuality in Twentieth-Century Women's Sport
by Susan K. Cahn

Throughout the twentieth century, women's increasing participation in sport has challenged our conception of womanhood, and ultimately altered the perception of sport as an exclusively male domain. Now, drawing upon historical records and contemporary interviews, Susan Cahn chronicles this significant transformation.

"*Coming on Strong* comes on strong. Superseding all previous histories of women's sports, Cahn forces us to confront the uneven, unfinished progress of women athletes. She exposes as misleading both our tendency to confuse athletic prowess with gender deviance and our usual identification of sport with manliness. Three cheers for Susan Cahn."

—William Baker, author of *Jesse Owens: An American Life*
