

If you are confident with my experience and ability, and want to contribute to the diversity of the University, please give me a chance to reward your effort!

Seat #5 - EMU Board Finance Senator (Two Year Seat)

JESSICA FRAHS

With Measure 5 and all of the cutbacks that Oregon schools are facing it is very important that the money that we do have is spent well and not wasted. As an EMU Board Finance Senator I intended to make sure that our Incidental Fees are allocated wisely.

With my experiences as a non-voting member of the Erb Memorial Union Board of Directors I can help to assure that the fee dollars that we pay are spent in ways that directly benefit students. I can also help to keep tuition levels down by keeping the Incidental Fee at the current level.

So if you want dedication and experience
VOTE FOR JESSICA FRAHS for EMU Board Finance Senator.

RUSSELL T. KOCKX

POWER IN YOUR HANDS

Being one of the many under-represented students at the University of Oregon I, RUSSELL T. KOCKX, am asking you to let me help your presence be felt.

Once elected, I will work hard to make the EMU a better place for a variety of student related activities; ranging from studying and relaxing to rallies and concerts.

As a member of the student senate I would be able to vote consistently with the needs of the students on the issues that effect this university.

I ask you, the student body of the University of Oregon to make this campus a better place by voting for me, RUSSELL T. KOCKX.

Seats #7 and #9- Athletic Department Finance Senators One Year Seats)

KENT BLACK

I am running for AD finance senator because I feel that the Athletic Department is one of the most important parts of the university. Athletic teams are one of the first things a person associates with a school. It is not the multiculturalism of the school, or the quality of marijuana available, for many it is the sports teams.

I think students should have the right to know where their money goes, or how it is spent, and who gets what amount. The new student senate makes this possible. And if you vote for me, Kent Black, for AD finance senator, I will try my best to ensure that money is wisely and frugally spent by the athletic department. If things become difficult or frustrating I promise not to give up, quit, and leave like some student leaders in the past year. I am hard working, eager, and motivated to do a great job, so please vote for KENT BLACK.

BRICE LAFRANCE

My name is Brice Lafrance. I have lived in Oregon for many years and have always been a big fan

of the University of Oregon's athletic teams. When speaking with people from other states, they almost always have heard of our football team and our basketball teams. However, very few people have heard of our Journalism School and even less care about our history department. It is through our athletics that our school gains national notoriety. Having national recognition is important to this school because it brings in new students and gives us a chance to be compared to other schools that we would not normally be associated with.

As an Athletic Department Committee Finance Senator I, Brice Lafrance would work hard to implement programs that would be beneficial both to the athletes and the students. One of my many concerns is to keep the student seats in the Pit for the students only and make it a place where one can stand and cheer the whole game without worrying about being thrown out. If you want a senator who will work to keep our teams competitive and enjoyable to watch, vote for Brice Lafrance.

Seat 8- Athletic Department Finance Senator (Two Year Seat)

DOUGLAS BAKER

With the recent developments and changes in the ASOU government and IFC, the role of senator is very important. Also, as an Athletic Department Committee Finance Senator it will be my job to provide a fairness in funding. I will do my best, when elected, to represent all students, and lead into a giant scale change in reducing apathy. This must be done through communication.

As a communicator, I understand that I am one in 17,000 students at this school, and will strive to build happiness through the majority of the populace. This will occur through my speaking to individuals and student groups, to assure representation for all students and student groups. I will work hard as a liaison between the students, student groups, administrators, and the ASOU because it is necessary to operate a group knowledgeable to facets of this campus. Through this communication, we should be able to solve the problems of fairness, equality, and discrimination throughout campus.

I will remain open-minded, fair, and accessible to the students of this campus. Let's work to produce an University of more fun and security. Vote for Douglas Baker.

Seat 10- Academic Senator At-Large-Undeclared (Two Year Seat)

No Candidate

Seat #11 - Academic Senator At-Large-Undeclared (One Year Seat)

DAVID KEONE REED

I am running for student senate undeclared because I believe student government needs to have new, different and unique faces- people who are not already a part of the campus political establishment- I'm defining my position by leading by example- I think more students should get more involved, that's why I'm getting involved- It's time to end the cycle of apathy-

David Keone Reed
