IRENE DIAMOND

Booksigning

This Wednesday, 12:30-1:30

Ecofeminist and UO professor of political science and women's studies, Irene Diamond will be upstairs autographing copies of her new book, *Fertile Ground - Women, Earth and the Limits of Control*.

Ms Diamond makes a passionate argument for a new politics that confronts injustice and greed while it celebrates the cycles of birth, decay, and rebirth.

Her previous books include *Sex Roles in the State House* and the co-edited volumes *Feminism and Foucault: Reflections on Resistance* and *Reweaving the World: The Emergence of Ecofeminism*.
