Ballot Measure 13 would amend the Oregon Constitution to legalize discrimination against gays and lesbians. It would also:

- ✓ Restrict curriculum and reading materials dealing with homosexuality
- ✓ Prohibit certain classes dealing with sexual orientation issues
- ✓ De-fund the Lesbian, Gay, Bisexual Alliance and move it off campus
- ✓ Prohibit the Counseling Center from supportively counseling gay and lesbian students
- ✓ Restrict AIDS education from referring to homosexuality in an effective manner
- ✓ Make library books that deal with homosexuality in a positive manner inaccessible to "non-adults"
- ✓ Undermine academic freedom, scholarship, and social integrity at the University of Oregon

The following faculty members and staff urge you to vote
