Quotes from Oregon Football players

DANNY O'NEIL

This is what I've been dreaming of since I've been here, just to be playing the Beavers with a Rose Bowl berth on the line. It's a rivalry. It doesn't matter what the records are, it's going to be a huge game.

CHRISTIN McLEMORE

This is a big one. It's the championship game and what I live for. I'm not too involved in the Civil War aspect. I'm thinking this is just another step for us to get where we want to get.

RICKY WHITTLE

This Civil War is definitely something big for me other than the Rose Bowl. It means respect within the state. The thing about this rivalry is that you can't really expect anything, you have to expect everything.

RICH RUHL

I think it's going to be a really intense game because we have a lot on the line and they want us to lose because (Oregon State) hasn't really gone to some of the places we've gone. (The Beavers) just want to beat us because I think they are envious of us.

JOSH WILCOX

When you get to this game, everything goes out the window. It's a dog-fight. This is the true meaning of the Civil War this year. If we can go out and win, our stockings will be bigger at Christmas.

JEREMY ASHER

It's a battle each time we play. I think (the Civil War's) bigger for the in-state guys just because we grew up around it. I remember hearing about it when I was young and all throughout high school, so it makes it that much more special for me.

Question: What do you think about this year's Civil War match-up?

I think it's exciting. It might be the one thing on campus that gets to pull a lot of different people together around an issue, so I think it's fun.

- EDWINA WELCH  
ASUO Women's Center

It's a big game because it is deciding the Rose Bowl. This year it means something. Instead of battling for last place, we are battling for first place.

- PETE SPROUL  
Senior, psychology

I think we're going to lose. I don't want us to lose, but OSU hates us so much that they are going to try to embarrass us (and) knock us out of the Rose Bowl.

- TARANA LAWRENCE  
Sophomore, psychology

It's good to actually have something riding on the Civil War game, not having it be the toilet bowl that it has been for the last three or four years.
