Penn State 38, Oregon 20

Penn State head coach Joe Paterno led his team, the Nittany Lions, to its fifth undefeated season, capping the season off with a 38-20 win over the Oregon Ducks.

face of the Oregon loss.

"Although I'm happy with this team, the bottom line is we didn't win," O'Neil said. "I'm not going to be asking for a piece of candy simply because we worked hard."

O'Neil hit 23 of 29 attempts in the first half, connecting with Wilcox on 7 occasions for 114 yards and a touchdown in the opening half.

"Today was my day to catch the ball," Wilcox said. "I guess my Heisman hype starts now."

When all was said and done, O'Neil finished the day 41-61 for 465 and two touchdowns, easily surpassing the Rose Bowl records for attempts and completions as well as yardage, not too bad for a quarter back who had struggled through adversity

and injury in this — his senior year.

"We've had great quarterbacks and Danny O'Neil would have to rate right at the top of the list," Brooks said. "He won the championship in the Pac-10 undisputed — none of the others have done that."

While those around him are quick to praise him, O'Neil stressed that he's not in the game for the individual accolades that sometimes accompany big-time college sports.

"My goal this year was not to leave a legacy at Oregon and not to be a legend or hero," O'Neil said. "My goal was to win football games. If in doing that, people think highly of me and respect my play — that's all the better."

And perhaps nothing the Ducks could do from here on out could erase the respect and admiration the Ducks gained in defeat on the turf of the famous Rose Bowl on Jan. 2, 1995.
