

## A Reading & Booksigning with Tatyana Tolstaya

in Gerlinger Lounge  
Wednesday, Jan 18th  
7:30 P.M.

Renowned Russian author and great-grand niece of Leo Tolstoy, Tatyana Tolstaya will be at the University for a reading and booksigning of her works including *On the Golden Porch*.

In thirteen stories that are at once haunting and humorous, playful and compelling, Tatyana Tolstaya portrays a world that is paradoxically cruel and beautiful in *On the Golden Porch*.

*"The blazing vitality of Ms. Tolstaya's imagination, the high-spirited playfulness...place her in that uniquely Russian line of satirists and surrealists that stretches from Gogol through Bulgakov."*—The New York Times Book Review, front page.  
Her books are available for purchase upstairs and will also be available at the event.
