

AIRING IT OUT

The Nike Spirit — Captured!

Beginning last August, *U.* asked you to grab your cameras and Capture the Nike Spirit — those unforgettable experiences in sports and everyday life — and tell us about the Nike spirit you captured. You Just Did It!

U. readers sent in thousands of photos of people doing just about everything in their Nikes. Your entries were awesome, inspiring, scary, funny and very, very cool. And your captions were great, too.

U. and Nike are proud to publish the \$1,000 Grand Prize winner with Nike's national ad. And because you sent in so many great photos, Nike and *U.* have expanded the contest to include another three pages with 34 more winning entries.

\$1000 GRAND PRIZE WINNER:

**Brian Hendrix,
U. of Tennessee**
"Airing it out on
