

# A confession:

I am an accomplished **novelist**.  
I guide treks in the Himalayas during summer vacations.  
I raise vegetables on my roof **can them**  
and send them to my great aunt in Illinois.

I wrestle **alligators** to blow off steam.  
I enjoy reciting Greek epic poetry while watching Brady Bunch reruns.

When under stress, I play Hendrix solos—  
backwards on my **zither**.

**I revel** in my time.

But I do not  
own any **cool**  
shoes.

There **is** hope.
