

A lot of thinking has gone into the making of these shorts. And although it kills me to admit it, Mother's suggestions were once again brilliant.

With a double-pleated front and interior

probably more likely to lose your car than your keys. Perfecta Cloth™ makes them super fast drying too. Perfect for those who enjoy life in and out of the drink.

"THE GENIUS BEHIND OUR SHORTS"

-Tim Boyle, President, Columbia Sportswear

brief, Whidbey Shorts™ supply plenty of room and support. While the adjustable belt makes involuntary moon shots a thing of the past. Even when bodysurfing a place like "The Wedge" in Newport Beach, CA.

Speaking of watersports, the pockets are mesh. And the one in back zips, which means you're

Whidbey Shorts come in tons of colors and go with just about anything.

Although wingtips might be out of the question.
