

U, with a circulation of 4.5 million, is the most widely read lifestyle and entertainment magazine among 18- to 34-year-old college-educated young adults. Editorial content focuses on the diverse interests, attitudes and concerns of students attending four-year colleges and universities. U's content editors selected each year from top producing seniors, read campus newspapers, commission original articles and photography by the best student journalists, and maintain an ongoing dialogue via the Internet and U Views line with students at hundreds of campuses nationwide.

CAMPUS SHOTS

U. of Kansas seniors Corey Bossard and Steve Krigas opened a petting zoo in their front yard to raise tuition money. In the first hour, they made 2 cents. At that rate, they'll be there for another 51.5 years. Be a pal and pet this rare breed of boy.
