

"We don't
drive automobiles into cathedrals,
art museums, bedrooms or other sanctums
of our culture;
let us treat our forests, mountains,
and desert canyons
the same way."

The Pooh-Bah biking shoe has spoken.

Clipless pedal compatibility,
a cushy EVA heel wedge,
and a sturdy thermoplastic shank in the midsole
make the Pooh-Bah
an authority on this kind of thing.

ACG means all conditions gear.
