ART WORKSHOPS

Wood Lathe
Various wood lathe techniques will be demonstrated on the lathe, including between-center turning (table legs, candle holders) and face plate turning (bowls and plates).

Raku Firing
A special firing for intermediate and advanced students interested in experimenting with raku techniques. Bring 5-6 pieces of bisqued and glazed pottery or sculpture and fire in this flamboyant process.

Watercolor Clinic
All levels of experience welcome at this weekend workshop on watercolor techniques. Participants will begin exploration into this challenging medium, or build on current skills.

Japanese Paper Marbling
We will explore this traditional medium in which sums inks are floated on water to create subtle designs evoking patterns in nature.

Drum Making
Make a traditional hoop drum using a cedar frame and deer rawhide. Working with rawhide, stretching the drum head, lacing, and special braiding will be covered.

Alternative Printing Processes
Explore two alternatives to B & W printing with photography's oldest processes - Cyanotype and Van Dyke. We will enlarge negatives, make light-sensitive emulsions, hand-coat papers and fabrics, using the sun to make our exposures. Darkroom experience is required.
