Greek Week activities welcome all students

Greek Week, the annual celebration hosted by University fraternities and sororities, will get started today with a barbecue and concert open to all students at the Intramural fields behind McArthur Court from 4 to 7 p.m.

Greek Week is "a time for the Greeks to come together and be proud of our community," Panhellenic Greek Activities Chairwoman Jenny Keebler said. The week is also a chance for non-Greek students to learn more about the University's Greek system.

The Greek houses will earn points for participating in the week's events, and awards will be given Sunday to the houses with the most points. Greek Week organizers stress that the events are not just for students in the Greek system.

"Everybody's welcome to come to every event," Keebler
