Sherman Alexie

author of *Reservation Blues*

Monday, May 22nd

7:30 p.m.

In the Browsing Room
of the UO Knight Library

Sherman Alexie's collection of stories, *The Lone Ranger and Tonto Fistfight in Heaven*, left an indelible mark on the literary world. His new novel, *Reservation Blues* powerfully explores the painful, humorous and ultimately redemptive symphony about God and indifference, faith and alcoholism, family and hunger, sex and death set in a mythic and musical tale of Coyote Springs, an all-Indian, rock-and-roll band.
