1995 PREFONTAINE CLASSIC

MARK MC TYRE/Emerald

Dan O'Brien is just one of the many star track and field athletes that make up this year's Prefontaine Classic list of competitors.

Star-studded contingent to shine at Pre Classic

Kris Henry

Oregon Daily Emerald

Billed as a collection of some of the greatest athletes in track and field history, Sunday's 21st Annual Prefontaine Classic at Hayward Field should offer area fans plenty of star-studded memories.

And memories are what form the foundation of Eugene's annual memorial meet in honor of the late Steve Prefontaine.

Twenty years after the passing of the Oregon track legend, exceptional athletes from around the globe still flock to the site of

the immortal's stomping grounds in recognition of the strides made by the man called Pre.

This year's talented contingent is led by at least 16 athletes who have won Olympic gold medals or world championships, including Carl Lewis, Jackie Joyner-Kersey, Dan O'Brien, Gail Devers, Michael Johnson and Gwen Torrence.

A sellout crowd is expected at Hayward Field on Sunday to see this cast of characters and more.
