195 OPPORTUNITIES

Depressed?
You can earn \$15 by participating in our screening procedure, and possibly another \$20 when you qualify for research on emotion. In the Brain Electrophysiology Lab, located in the Psychology Department of the University of Oregon, we are studying how the electrical activity of the brain changes with different emotional states. If we find after the screening procedure that you qualify, your brain waves will be recorded as you read stories of every day life events. If you are now feeling depressed,
