

ALL THE BANK STUFF YOU'LL NEED.

First, the basics. You need a checking account. Open a VERSATEL® Checking account, and you also get a deal. Pay no monthly service charges, and your first order of 50 checks is free. Get a free VERSATEL® ATM card, too. **Stop rushing around.** You

can do most of your banking by phone 24

hours a day if you keep really weird hours. Link your savings and checking accounts for overdraft protection, and we'll give you a \$10 savings bonus. That will give you more convenience – at the ATM, too, where you can transfer from one account to another. There are lots of ATMs and bank branches everywhere you are – even in grocery stores, where you can bank on the weekend.

Put your best face forward – and then

charge. But be careful. Your card will look just like you.

Yes, your BankAmericard® Photo Card Visa® or MasterCard® has your photo on it – added free, of course. And there's no annual fee when you

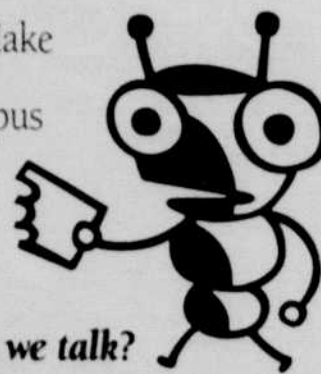

have a B of A checking account. **Feel**

the need for speed? Take out a loan for a new or used car, and get a discount. Get a deal on your student loan, too. **Buy yourself a little something.**

It's on us. Make

a \$10 purchase at the campus bookstore, and use our gift certificate, good for anything up to \$9.99. **Can we talk?**

Sure. Anytime. Stop by the branch below, or call us 24 hours a day at 1-800-USE-BofA. (TTY/TDD users may call 1-800-845-8893).
