

Men: Meet will see intersquad battle

Continued from Page 11
the open category. The eight varsity runners will be: Rick Cantwell, Daniel Das Neves, Matthew Davis, Micah Davis, David Gurry, Tracy Hollister, Karl Keska and Scott Nicholas.

For seniors Tracy Hollister and David Gurry, this meet will be the last home cross country meet of their Oregon career.

Even though this is a home meet for the Ducks, Dellinger doesn't feel it gives his team any advantage.

"I don't consider it as home

field advantage," Dellinger said. "Our guys don't run [at Alton Baker Park] when we practice, so they will be just as familiar with the course as everyone else is."

Despite the unfamiliarity of the course, Dellinger said one of the exciting things about this meet will be the competition within the team.

"I think it will be a good race between Karl (Keska) and Matt Davis," Dellinger said.

Along with the fact that some of the best competition in the meet will come within his own

team, Dellinger said he is pleased with the positive attitude his runners have.

"These guys are good people," Dellinger said. "We've got some real good leaders on this team and some real good attitudes, which will certainly make it (winning) easier."

The Ducks' winning ways have earned them a national rank of 12th. The team hopes to improve their ranking and prepare for the Pac-10 Championships with a good showing Saturday.

Volleyball: Cougars bring many weapons

Continued from Page 11

The Duck leader in kills is junior outside hitter Amy McNeel with 197 kills. McNeel will dual against a Washington State player with whom she shared Pac-10 Player of the Week honors in mid-September.

Sarah Silvernail is leading the Cougars with 237 kills. Silvernail is ranked No. 1 in the conference in hitting percentage and is in the top 25 of the country.

The Ducks will be looking to win tonight when Washington visits and tomorrow when they face Washington State.

Horoscope by Frances Drake

For Friday, Oct. 13, 1995

ARIES

(March 21 to April 19)
Ignore the temptation of a co-worker's suggestive romantic actions. Instead, pay extra attention to your job, as bigwigs are watching you closely, considering you for a promotion.

TAURUS

(April 20 to May 20)
Your personality brings renewed harmony to your love life. The additional charm helps you in your career as well. However, avoid being overly cocky.

GEMINI

(May 21 to June 20)
Don't be so suspicious of your mate. Jealousy only brings trouble. If you think about it, there's no basis in fact for your suspicions.

CANCER

(June 21 to July 22)
While financial and health problems could be on your mind, it is time to get out with good friends. A relaxing evening brings a new perspective on life. Enjoy!

LEO

(July 23 to Aug. 22)
It's a time of numbers for you. Don't be surprised if a financial venture you have desired comes to fruition. It could result from your shrewd judgment or just plain luck.

VIRGO

(Aug. 23 to Sept. 22)
Although it's not the perfect time for pushing your personal views on a partner or friend, you can succeed by being tactful and diplomatic. A meeting of the minds results.

LIBRA

(Sept. 23 to Oct. 22)
You are having a hectic time on the job. Don't overdo it. It is important that you spend some leisure time with friends and family. The satisfaction achieved reaps rewards.

SCORPIO

(Oct. 23 to Nov. 21)

For singles, it's time to get back in the dating game. Don't underestimate your appeal. Couples have many pleasant surprises coming their way, such as a possible addition to the family.

SAGITTARIUS

(Nov. 22 to Dec. 21)
Don't allow business and pleasure to mix. If you do, you will regret it. Keep your mind strictly on business issues. In the evening, you can relax with leisure activities.

CAPRICORN

(Dec. 22 to Jan. 19)
You feel the recognition you deserve has been ignored, but don't be shocked if you were wrong all along. A future of happiness and financial gain await you. Relax with loved ones in the evening.

AQUARIUS

(Jan. 20 to Feb. 18)
Don't allow a co-worker's ego to irritate you, as you actually have the upper hand in the eyes of those who count. Be your levelheaded self.

PISCES

(Feb. 19 to March 20)
Partners have a startling impact on your future. If single, perhaps it is time to settle down, for love and happiness; you would make an excellent parent and mate.

YOU BORN TODAY would enjoy traveling for a living. Whether a pilot or flight attendant, you make an excellent employee. Additionally, you can juggle a thrilling career with an excellent home life. Loving and loyal, you know how to make long-distance relationships work. You have an unfortunate tendency to hold back your feelings — which is the only source of trouble in your love life.
