Horoscope by Frances Drake

For Wednesday, Nov. 1, 1995
ARIES
(March 21 to April 19)
Make sure that you are kind and giving to an unfortunate friend or family member down on their luck. Also, accept a social invite from a prominent person on the job.
TAURUS
(April 20 to May 20)
It is important to consult with a partner before making a financial decision. Don't fuss too much if this person doesn't agree with you. It is important to listen, as you could learn something.
GEMINI
(May 21 to June 20)
A surprising personal twist in your life gets you back on track. A cantankerous co-worker needs your understanding. Don't be impatient.
CANCER
(June 21 to July 22)
Remember that old saying, business and pleasure don't mix. Your priorities should be centered on the home front. Plan a special romantic evening.
LEO
(July 23 to Aug. 22)
There could be a minor delay in a promotion you were counting on. This is only a temporary setback. In fact, your financial future looks very promising.
VIRGO
(Aug. 23 to Sept. 22)
A friend could be argumentative, but stand up for your rights. You will make your point, as you are more levelheaded. Stress cooperation in financial interests.
LIBRA
(Sept. 23 to Oct. 22)
If a deal sounds too good to be true, then it probably is. Always remember to read the fine print on any agreement you sign. A problem on the job could mean some overtime.
SCORPIO

(Oct. 23 to Nov. 21)
Don't be alarmed if there's some competition on the job. Joint ventures will make you look better. Benefits also come from the help of loving friends.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Make sure you keep up with chores around the home front. A surprise visitor from the past could stop in or call unexpectedly. Be alert for new money-making opportunities.
CAPRICORN
(Dec. 22 to Jan. 19)
Call it a bit of luck, but your charm brings revealing news about a job opportunity. Domestic plans also fall into place. A career move made a while ago pays off.
AQUARIUS
(Jan. 20 to Feb. 18)
Your best bet for happiness is to follow the advice of a trusted friend. Don't be stubborn or you will regret it. Now is the time to concentrate on fun, rest and relaxation.
PISCES
(Feb. 19 to March 20)
If you use extra drive on the job, you will excel and come out on top. Remember, a career block is only temporary. A dream you've had becomes a reality.
YOU BORN TODAY can be insecure at times that leads you to be very sensitive. However, you are very talented and can accomplish anything that you want without being overbearing and irritable toward others. You are a bit of a perfectionist and need to be reminded that other people aren't out to hurt you if they don't see things your way. An athletic or acting career suits you well. However, you also have a fine head for business and figures.
Birthdate of Gary Player, golfer; Betsy Palmer, actress; Fernando Valenzuela, baseball player.
