GUEST EXPERT / The Alien

And you thought Clinton had exclusive access to The Alien. Risking interplanetary conflict and journalistic integrity, we flagged down the Mothership for a quick chat with the *Weekly World News* regular. It had plenty to say about this month's issue, but reader be warned: This cryptic creature hasn't quite grasped the subtleties of the English language. Although the genitally challenged fella has no name (or clothes, for that matter), we've taken the liberty of christening our celebrity guest expert "Spud."
