It's Ideal For First-Time Buyers. Not To Mention Second, Third And Fourth.

Today's car buyers will be putting their trust in a sporty and dependable two-door coupe called Cavalier. And why not? Its thoughtful engineering lets you travel up to 100,000 miles before your first scheduled tune-up and 100,000 miles or five years before you need to change engine coolant.[†] It has

an extensive list of safety features (dual air bags, anti-lock brakes, etc.) and a neat sticker price starting at around \$11,000.* So when you take into consideration style, dependability and value, you won't find a car as fun and as sensible as Cavalier. That's why we call it a Genuine Chevrolet.
