A Reading & Booksigning

with Oregon author Craig Lesley
reading from his latest novel

The Sky Fisherman in the Browsing Rm, Knight Library.
Co-sponsored by the Knight Library.

Nov. 16th, Thursday 7:30 pm

"Craig Lesley is one of America's finest storytellers because he knows how to listen. *The Sky Fisherman* is an exquisite novel that holds the voices of the river and its people in perfect balance. It is a story that stays with you and grows between the silences. Mr. Lesley is an empathetic force in fiction."
