Horoscope by Frances Drake

For Monday, Jan. 8, 1996

ARIES

(March 21 to April 19)
Unfortunately, the date you've been looking forward to for a long time could end up irritating you in the end. However, on an upbeat note, your career is taking a satisfying turn.

TAURUS

(April 20 to May 20)
If you are on top of things and use your talent and charm, you can attain anything you put your mind to. Be confident but not cocky.

GEMINI

(May 21 to June 20)
You'll have an important chat that could lead to extra money. By making a good impression on those you contact, things only go your way. Take pride in your accomplishment.

CANCER

(June 21 to July 22)
A higher-up on the job can be stubborn, so it is best not to have an exchange of words. Just go about your business. Perhaps the boss will finally see the light.

LEO

(July 23 to Aug. 22)
If you are going shopping, make sure you purchase items that you really need and that will have lasting value. Otherwise, you might regret what you purchase. Money is tight.

VIRGO

(Aug. 23 to Sept. 22)
A minor altercation with a friend could occur. It is best to let the showdown pass, as your friend is in a touchy mood. By evening, all works out to your liking.

LIBRA

(Sept. 23 to Oct. 22)
Morning hours are best for time to yourself. As the day progresses, your personality shines. Good times are had by all.

SCORPIO

(Oct. 23 to Nov. 21)

Since you have more than one iron in the fire, you should be careful what you divulge to others, especially on the job. Protect your financial security.

SAGITTARIUS

(Nov. 22 to Dec. 21)
There could be some snags to contend with concerning travel arrangements; however, you find a solution by day's end. In the evening, create a romantic surprise for that special person.

CAPRICORN

(Dec. 22 to Jan. 19)
It is time for something different as far as entertainment activities are concerned. Behind-the-scenes strategies are best concerning financial planning. Utilize common sense.

AQUARIUS

(Jan. 20 to Feb. 18)
Don't cross a superior on the job. While a bigwig could test your value system, it is best to keep a low profile. In the evening, kick back and relax.

PISCES

(Feb. 19 to March 20)
Singles encounter an old romantic flame. Couples have some disagreements during the day, but all matters are eventually settled in a loving and respectful manner.

YOU BORN TODAY are a true go-getter with an intense personality. However, you sometimes block out what others have to say if you are not in total agreement. If you can curtail that flaw, you will be tremendously successful. You could marry later in life due to your career. A wonderful family is assured. Such fields as entertainment, publishing and politics are favored.

Birthdate of Peter Taylor, writer; Shirley Bassey, singer; David Bowie, musician.
