Horoscope by Frances Drake

For Tuesday, Jan. 16, 1996
ARIES
(March 21 to April 19)
You need to do something different to bring pleasure for all concerned. However, the enjoyment of leisure activities is highly favored. Evening hours accent domesticity and togetherness.
TAURUS
(April 20 to May 20)
Morning hours aren't really the best for communicating with others. However, new chances for success do arise as the day goes along. Although you crave instant recognition for your many accomplishments, you must be patient.
GEMINI
(May 21 to June 20)
Make sure you keep on top of things that need to be done on the home front. Some surprisingly good news comes your way. Chance encounters are delightful and benefits come from afar.
CANCER
(June 21 to July 22)
Hobbies, creative pursuits and travel are most definitely favored. A smart remark won't cause others to cooperate with you where money matters are concerned. Guard against glibness in speech.
LEO
(July 23 to Aug. 22)
Don't expect too much. Others will cooperate but only up to a point. Some concerns are best dealt with by you alone. Recognize another person's limitations.
VIRGO
(Aug. 23 to Sept. 22)
Plans for getting things done around the house could be interrupted by an unexpected visitor. Mistakes in judgment could occur where domestic financial matters are concerned. Consult with your mate.
LIBRA
(Sept. 23 to Oct. 22)
Count on your own initiative and selling charm to get ahead in your
