Horoscope by Frances Drake

For Wednesday, Jan. 17, 1996

ARIES

(March 21 to April 19)
New friends enter your life. Pursuing your individual goals needs to lead to a confrontation with a family member. Romance is especially favored during evening hours.

TAURUS

(April 20 to May 20)
Business and pleasure combine to your advantage. Morning hours accent your considerable promotional talents. Fortunate money developments shouldn't be talked about with strangers.

GEMINI

(May 21 to June 20)
A co-worker is unduly competitive, but otherwise it's a most favorable time for you. The strength of your convictions plus charm ease your way. Rivalry could interfere with your romance if single.

CANCER

(June 21 to July 22)
Creative types are productive and also fortunate in dealings with higher-ups. A money conflict could erupt with a business partner because of some unpaid bills. Evening hours are for laughter and romance.

LEO

(July 23 to Aug. 22)
Take advantage of some helpful career advice. Your path crosses with that of someone who is overly aggressive. Business and pleasure meetings are highlighted after dark.

VIRGO

(Aug. 23 to Sept. 22)
Something could irritate you on the job, but relations with close ties are most cordial. Partners should plan on doing something special together. Get in touch with friends from afar during evening hours.

LIBRA

(Sept. 23 to Oct. 22)
A friend's suggestion is somewhat off base, but the use of innovative methods will bring career gains. Stretch your mind a bit. Perhaps it's time to enroll in a course or take part in a seminar.
