Horoscope by Frances Drake

For Thursday, Jan. 18, 1996
ARIES
(March 21 to April 19)

In the end, you'll do what your conscience tells you, but for a while you're tempted to do otherwise. You also could be asked to give some advice. Consider your words carefully.

TAURUS
(April 20 to May 20)

You might not be able to keep everyone happy at home, but you can do your share to help out. Extra responsibility falls on your shoulders on the job, and your energy doesn't fail you.

GEMINI
(May 21 to June 20)

Things to do at the last moment can cause a snag in your daily activities. However, you will get going and can have a good time. Advice from afar, though, could be conflicting.

CANCER
(June 21 to July 22)

Although great opportunities arise, you'll still benefit from doing some homework. Home life is also cheerfully festive. Family members are in sync and domesticity is a pleasure.

LEO
(July 23 to Aug. 22)

Writers could get that break they've been looking for. Grandparents enjoy a special rapport with little ones. Distant affairs are favored to prosper.

VIRGO
(Aug. 23 to Sept. 22)

Expect continued success for your career. Capitalize on yesterday's fine beginnings. Get in touch with those who can help you get ahead in life.

LIBRA
(Sept. 23 to Oct. 22)

Things go well for you concerning property interests, but it could be difficult to get a commitment with other financial matters. Home entertaining would be a plus later in

the day.

SCORPIO
(Oct. 23 to Nov. 21)

Some problems regarding money still linger from yesterday. Advice you receive should be taken with a grain of salt. It's sheer bliss for close personal relationships.

SAGITTARIUS
(Nov. 22 to Dec. 21)

Costs are a consideration regarding travel. You could do with some more support from a family member about a venture. Career strivings meet with success if you are diligent.

CAPRICORN
(Dec. 22 to Jan. 19)

Be more accessible to partners. Some become involved in a humanitarian project. Your financial business should be kept private as you consider an investment.

AQUARIUS
(Jan. 20 to Feb. 18)

It seems you accomplish more through charm than hard work. You might not be in a working mood, but business does mix well with pleasure for you. Evening hours are especially productive.

PISCES
(Feb. 19 to March 20)

Morning time finds you a bit withdrawn, but by midday, you should be yourself again. Evening hours promise fun, leisure and happy romance. A loved one is in a festive mood.

YOU BORN TODAY are an idealist with administrative talents. Such fields as law, social work, teaching and politics are likely to appeal to you. You work best when inspired and have strong artistic leanings. Music may be another one of your talents. You seem to handle yourself well in financial matters and hold your own in the business world.

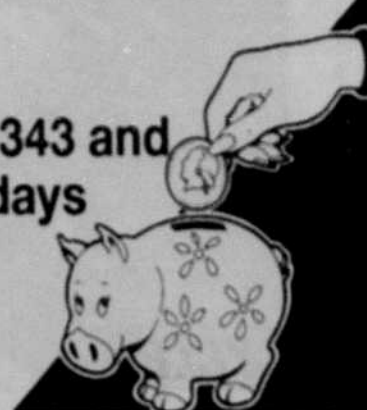

Birthdate of Kevin Costner, actor; Mark Messier, hockey player; Bobby Goldsboro, singer.
