Wrestling: Sibling rivalry can be dangerous business

■ Continued from Page 9

Which is all for the better. The last time Dusty Roberts wrestled a sibling, it was younger brother Andy, another wrestling Roberts who is a high school junior in Spokane. Andy's hand was broken during their playful match and he was forced to miss nationals.

So is Andy a Duck-to-be?

"Possibly," said the oldest Roberts.

"That's not something he has to worry about just yet," Dusty Roberts said.

Worry? With Kevin Roberts' obvious skills and ability, Dusty Roberts' patience to wait for his turn, and their combined confidence in themselves and each other, worrying is something neither has to do just yet.

Horoscope by Frances Drake

For Wednesday, Jan. 31, 1996
ARIES
(March 21 to April 19)
Financial matters are heavily favored since you've finally decided to ignore that bad advice. Seek out those who can help you. Charisma lights the evening.
TAURUS
(April 20 to May 20)
Share your new ideas with those around you on the job. Go ahead and promote yourself. A domestic dispute in the evening catches you by surprise.
GEMINI
(May 21 to June 20)
A heart-to-heart talk with a trusted friend makes you feel wonderful about a certain situation. At night, don't be afraid to mix business with pleasure.
CANCER
(June 21 to July 22)
Taking unnecessary risks is not a good idea. Although you feel adventurous, don't give in to the urge to experiment. A letter arrives with some good news.
LEO
(July 23 to Aug. 22)
Don't be overly confident because of that progress you're making on the job. You don't have carte blanche yet. Evening hours promise happy social surprises.
VIRGO
(Aug. 23 to Sept. 22)
Communication skills are accentuated, so share your ideas. In the process, you find that you need to rearrange your schedule and make some compromises.
LINRA
(Sept. 23 to Oct. 22)
The problem that has been bothering you at home reaches a happy conclusion. You and your significant other need time alone in order to recharge those romantic batteries.

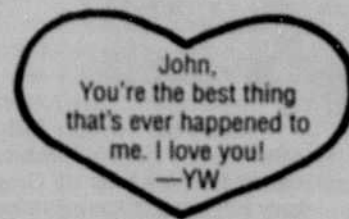

SCORPIO
(Oct. 23 to Nov. 21)
It's a good time for reading, research and anything of a literary nature. You're counting on a certain friend, who disappoints you.
SAGITTARIUS
(Nov. 22 to Dec. 21)
You are caught off guard by a rumor that seems to have a grain of truth in it. There's nothing more to it, so put it behind you. There is much work to be done.
CAPRICORN
(Dec. 22 to Jan. 19)
Taking on some financial risk is fine; however, gambling would be foolish. You need to distinguish the two. The evening favors leisure and romance.
AQUARIUS
(Jan. 20 to Feb. 18)
The sun breaks through the clouds, and your business acumen comes to your rescue. You can deal with those who have hidden agendas if you learn more about them.
PISCES
(Feb. 19 to March 20)
Deals that involve money are favored, particularly if you're applying for a loan. You will succeed if you're realistic about what you can comfortably repay.
YOU BORN TODAY stay away from anything gory. You are sensitive, and your feelings are easily hurt. Nevertheless, you are not one to hide from life's harsh realities. You bring poetry and beauty to those around you. You are best suited for a career in the arts, particularly music and dance. Your home life is of the utmost importance to you; it's where you derive your strength.
