Horoscope by Frances Drake

For Wednesday, Feb. 7, 1996

ARIES
(March 21 to April 19)

Highways annoy you with unreason-
able demands early in the day. It's
obvious that there is something lack-
ing in your job performance. Make
sure you find out what needs to be
corrected.

TAURUS
(April 20 to May 20)

You disapprove of a partner's ac-
tions, but you haven't been as forth-
right as you should. Clear the air as
soon as possible. If not, you're likely
to lose your temper.

GEMINI
(May 21 to June 20)

Romance is happily in the air, both
for singles and married folks. An
aggressive friend puts you in a sour
mood later in the day. Don't bring
this home to family.

CANCER
(June 21 to July 22)

There's a lot going on at work that
you need to keep clear of. Your in-
volvement is neither needed nor
wanted. In time, you can get in-
volved as a mediator.

LEO
(July 23 to Aug. 22)

Be sure to examine all the fine
print of an agreement before signing
on the dotted line. Yes, you're all in
agreement. However, there is a po-
tential for future problems.

VIRGO
(Aug. 23 to Sept. 22)

You're just full of yourself at this
time and others aren't really appre-
ciative of this. Think about what you
say before going off half-cocked.
Business partners are cooperative.

LIBRA
(Sept. 23 to Oct. 22)

These traveling should keep a close
watch on finances. Some could wind
up losing a wallet or spending too
much money. On the social scene,
you come across a bit too opinion-
ated and pushy.

SCORPIO

(Oct. 23 to Nov. 21)

Tend to pressing needs at home,
some of which need to be fulfilled by
a shopping trip. Your job situation is
likely to improve. In fact, the evening
brings a nice surprise from an ap-
preciative co-worker.

SAGITTARIUS
(Nov. 22 to Dec. 21)

Your new ideas are wonderful, but
this is not the time to try to imple-
ment them on the job. Rein in your
eagerness and hide your time. A
close friend has valuable input on a
personal situation.

CAPRICORN
(Dec. 22 to Jan. 19)

You should be proud of yourself.
You've been able to get your finances
in hand and have a bit of play money.
Instead of spending it, look for ways
to wisely invest.

AQUARIUS
(Jan. 20 to Feb. 18)

It is unlike you to be so jealous of
a loved one since possessiveness is
not characteristic to you. Try to get
at the root of the problem. A co-
worker's feathers are ruffled, and
only you can smooth them.

PISCES
(Feb. 19 to March 20)

It seems that a cantankerous co-
worker is thwarting you at every
turn. Do your best to ignore this
person. Ultimately, highwigs are
alerted to the treachery going on.

YOU BORN TODAY find religion,
politics and the legal profession as
intriguing possibilities since you
excel in all of these endeavors. You
are naturally interested in social
reform and seek out enterprises of a
humanitarian nature. You tire easi-
ly of the same old routine and often
have to seek out changes and chal-
lenges to keep your interest. A de-
sire for financial security propels
you to success.
