

STOP SLEEPING WITH YOUR PROFESSORS.

Is it the sound of that whispery voice, or those big, intellectual words? If your professors are putting you to sleep, Revive with Vivarin.[®] Hey, it's tough juggling a full load, a social life—maybe even a job or an internship—plus squeezing in time to feed yourself, exercise, and keep in touch with the real world so you can someday conquer it.

Don't let fatigue get the best of you. Vivarin[®] safely restores mental alertness, with the same amount of caffeine as about two cups of coffee. So stay sharp in class. Don't sleep your way to the bottom.
