Horoscope by Frances Drake

For Tuesday, April 16, 1996

ARIES

(March 21 to April 19)
It's not a good time for major financial
decisions. You gain a new perspective
toward partnerships later in the day. Avoid social excesses if
out socializing during evening hours.

TAURUS

(April 20 to May 20)
Try to keep the lid on expenditures
during the morning. An unexpected
chance to improve your income
arises. You might not be sure of
what a close tie is feeling, so ask
some questions.

GEMINI

(May 21 to June 20)
You're right to seek new avenues
of entertainment, but be careful of
self-indulgence. Try not to wear your
self out. Partners agree on business
details.

CANCER

(June 21 to July 22)
You can't be faulted for those nice
things you buy for the home, but the
pursuit of pleasure could lead to
needless extravagance. Watch your
pennies.

LEO

(July 23 to Aug. 22)
Be sure to capitalize on creative
inspirations, which will simply evaporate
unless you take note of them.
Laisure hours are best spent with
close ties. Enjoy renewed harmony.

VIRGO

(Aug. 23 to Sept. 22)
You're more attentive about what
needs to be done around the house
than you are perhaps of a family
member's feelings. Try to be more
considerate.

LIBRA

(Sept. 23 to Oct. 22)
You needn't play the part of the big
spender in order to impress others.
The temptation is to spend way above
your means. Watch yourself.

SCORPIO

(Oct. 23 to Nov. 21)
Try to use time by yourself constructively. Don't give in to worry,
and don't take things for granted
either. You could be distracted by
your fantasies.

SAGITTARIUS

(Nov. 22 to Dec. 21)
It's one of those days when you
could be kept waiting. Patience is
needed with those who exaggerate
and procrastinate. Don't count on
getting your way after dark.

CAPRICORN

(Dec. 22 to Jan. 19)
You have good insight into what's
bothering a close tie; present the
information gingerly. Some recreation
would do you a world of good.
The evening is best for that.

AQUARIUS

(Jan. 20 to Feb. 18)
Get your partner's approval before
using joint credit. Put the finishing
touches on a career-related project.
Avoid dilettante ways.

PISCES

(Feb. 19 to March 20)
Misinformation abounds during
the morning. Consult with experts
about investments in a field of which
you know little. Close ties are supportive.

YOU BOIN TODAY are ambitious
and could try your hand at more
than one thing before you realize
your dream. Don't become impatient
for success; be willing to pay your
dues. You are adventurous and
have a seat for life, but must gain the
proper perspective toward finances.
Money isn't everything, but you will
gain your share through your excellent
potential. Accent originality
rather than expediency.
Birthdate of: Eddie Adams, actress;
Ellen Barkin, actress; Henry
Mancini, composer.
