Horoscope by Frances Drake

For Monday, May 6, 1996

ARIES
(March 21 to April 19)
You're tempted to spend freely on luxury items, despite not being able to afford them. A friend could be in a cantankerous mood. New ideas put you on the right track in career interests.

TAURUS
(April 20 to May 20)
Don't make promises you'll be unable to keep. Tact and diplomacy are needed in dealings with higher-ups on the job. An impromptu outing is romantic and fun once the sun sets.

GEMINI
(May 21 to June 20)
Feelings grow deeper in romance. Some are contemplating the purchase of a luxury item. The focus is on friendships and group activities, but don't mix business and friendship.

CANCER
(June 21 to July 22)
Couples will feel especially close to each other. You're ready to make a new start in business, but advice you receive could be conflicting. The evening favors quiet activities at home.

LEO
(July 23 to Aug. 22)
Someone appreciates your loyalty and is ready to do you a business favor. It's a time for new beginnings and to act upon your ideas. Keep an open mind during family discussions.

VIRGO
(Aug. 23 to Sept. 22)
Travel has romantic overtones. You could opt for some peace and quiet and prefer this to socializing with others. A friend is somewhat hard to pin down during evening hours.

LIBRA
(Sept. 23 to Oct. 22)
You're fired up about some new ideas. Dealings with agents and advisers are favored. You need to revise an investment plan, but enjoy
