Horoscope by Frances Drake

For Tuesday, May 7, 1996
ARIES
(March 21 to April 19)
Although career planning is favored, it's not the best time to get your ideas across to others. A tendency to rush could mar accomplishment. A timid acquaintance soon becomes a cherished friend.
TAURUS
(April 20 to May 20)
Couples could get on each other's nerves at home. Accept invitations to get out and about instead. Put aside important domestic questions for now and enjoy new friendships that are stimulating.
GEMINI
(May 21 to June 20)
Further research leads to surprising information to aid you on a work project. Avoid excessive expenditure in the pursuit of pleasure. Entertainment at home is preferable to going out in the evening.
CANCER
(June 21 to July 22)
Leisure pursuits are favored over business interests. Impatience makes it hard to properly complete a task. Avoid any discussions that could lead you into sensitive areas with others.
LEO
(July 23 to Aug. 22)
It's best to be on your toes concerning certain business transactions. Don't be dismayed by a lack of feedback. Romance has that love-at-first-sight potential.
VIRGO
(Aug. 23 to Sept. 22)
An impromptu get-together at home proves delightful. Make sure you keep on top of bills. Financial matters require careful scrutiny before committing to further debt.
LIBRA
(Sept. 23 to Oct. 22)
Indecisiveness can trip you up. A spur-of-the-moment outing could be just what you need to get you going in other directions. Feel free to take a much-deserved breather.

BUYER BEWARE

The Oregon Daily Emerald assumes no liability for ad content or response. Ads are screened for illegal content and mail order ads must provide a sample of item for sale. Otherwise, ads that appear too good to be true, probably are.
Respond at your own risk.

Job market concerns? Career burnout? Ready for change? Need executive income? Full/part-time. New division of public health care company expanding into Oregon area. 1-800-892-7908

Depressed? You can earn \$15 by participating in our screening procedure, and possibly another \$20 when you qualify for research on emotion. In the Brain Electrophysiology Lab, located in the Psychology Dept of the University of Oregon, we are studying how the electrical activity of the brain changes with different emotional states. If we find after the screening procedure that you qualify, your brain waves will be recorded as you play a computer video game. If you are now feeling depressed, call Erica de Koning (346-1986) to set up a time for a screening. All data is coded by number to maintain confidentiality. You may participate only if you are 18 years of age or older.
