Horoscope by Frances Drake

For Thursday, June 6, 1996

ARIES
(March 21 to April 19)

It's a good time to write love letters
and thank-you notes. Don't second-
guess yourself in romance. Things
really are as good as they appear to
be on that front.

TAURUS
(April 20 to May 20)

Let the head rule the heart in
financial dealings. Some will pur-
chase an unusual luxury item. Home
and family are happily accented,
especially during evening hours.

GEMINI
(May 21 to June 20)

Undercurrents affect a relation-
ship, but you're effective in commu-
nicating your ideas. Participate in
group activities. Evening hours sizzle
with romance.

CANCER
(June 21 to July 22)

Before making a financial com-
mitment, you need all the facts and
figures at hand. Spend time doing
the necessary homework to get
ahead. However, be sure you don't
neglect important tasks on the job.

LEO
(July 23 to Aug. 22)

Don't let others lead you on a wild
goose chase in business, and avoid
financial risks. You'll be subjected to
some big talk. Keep your head and
rely on your own instincts instead.

VIRGO
(Aug. 23 to Sept. 22)

Either you've scheduled yourself
to be in too many places at once or
you're spending too much time with
frivolous types. Be more selective.
Time spent by yourself after dark
leads to innovative ideas.

LIBRA
(Sept. 23 to Oct. 22)

You'll eliminate red tape and red
herrings and be in the position you
want to be in your career. Commu-
nications improve with a romantic in-
terest. However, be sure not to take
this person for granted as a result.
