OCA abandons current ballot drive

The Oregon Citizen's Alliance announced Thursday that they will abandon their drive to gather signatures for another ballot measure asking voters to write discrimination into the Oregon Constitution, according to a news release from Basic Rights Oregon. The decision came after the U.S. Supreme Court ruling of *Romer v. Evans*. The ruling struck down a discriminatory measure (Amendment 2) passed in Colorado.

"The decision of the OCA to abandon this year's pro-discrimination measure is a good sign," said Eric Fishman, co-chair of Basic Rights Oregon Steering Committee, in a news release. "But it's important to remember that the U.S. Supreme Court's decision in *Romer* didn't happen in a vacuum. Numerous groups have been working in Oregon and nationally organizing, litigating and educating people about basic legal rights."

Basic Rights Oregon is an

organization created to counter the activities of groups such as the OCA and to defeat attempts to deny basic rights through the electoral process.

Lane County urges residents to precycle

Lane County has launched a new "Use Less Stuff" campaign to encourage residents to go beyond recycling to precycling.

As part of its "Use Less Stuff" campaign, the county has established a new Waste Prevention Hotline (687-4004). The hotline gives callers tips on how to prevent waste at home, office and school. The county also has teamed with KUGN/CLEAR to broadcast waste prevention tips on the air.

Strategies for precycling

include: use reusable shopping bags; buy in bulk or choose items with minimal packaging; use durable, reusable products; avoid one-time-use disposables such as paper plates and napkins; and reduce the use of paper by purging address and name from direct mail lists and making double-sided copies.

On its way to a full schedule in 1997, the Ducks will play five Pacific-10 Conference teams in 1996, including a season-ending contest against Oregon State on Nov. 10.

If Steffen had his way, the Ducks' season would start tomorrow.

"We are looking forward to the fall; I wish that we [could] just fast forward to August."

"Our schedule is challenging, but we have some unknowns on

there too," Steffen said. "Right now I am thinking more about developing our program, and then we will see what happens from there."

Steffen will use the time before the season starts to travel to camps around the country and look at possible future recruits. He will also be hosting a camp from August 12 to 16.

Joining Steffen on the Ducks' staff is former North Carolina Tar Heel Keri Sanchez, who Steffen coached while in Chapel Hill.
