Horoscope by Frances Drake

For Thursday, June 27, 1996

ARIES
 (March 21 to April 19)
 A dear opportunity that seemed closed to you previously now opens. Be flexible as someone could have to cancel a pleasure engagement. You gain valuable business advice during evening hours.

TAURUS
 (April 20 to May 20)
 Some of you have been having trouble getting your notes together or there's a missing piece to a research project. Now things begin to fall into place for you. A child needs help with homework this evening.

GEMINI
 (May 21 to June 20)
 That check that was in the mail for some time now finally arrives. Participate in group endeavors. One development now takes you off guard a bit.

CANCER
 (June 21 to July 22)
 You feel more like yourself than you have for some time now. Things start to click for your career, even though one appointment could be changed. Expect financial progress by day's end.

LEO
 (July 23 to Aug. 22)
 Be careful in financial dealings with others. Small misunderstandings could occur. Take the initiative socially, but be prepared. Someone asks a favor of you this evening.

VIRGO
 (Aug. 23 to Sept. 22)
 Just give yourself enough space to think through your problems and you'll come up with the right answers. Tune by yourself leads to important insights. Evening hours bring romantic intrigue and possibilities.

LIBRA
 (Sept. 23 to Oct. 22)
 Both a friend and a higher-up could be difficult now, which means you'll probably not get your way. However, it's clear sailing with independent activities. After dark, you'll want to review your finances.

SCORPIO
 (Oct. 23 to Nov. 21)
 Nothing interferes with your earning power. In fact, you'll make substantial gains now. Still, there are some concerns about money that could upset you now.

SAGITTARIUS
 (Nov. 22 to Dec. 21)
 Nobody seems to understand now with the exception of a partner. While others lose their head, keep your feet on the ground. Rise above your temperament this evening when someone upsets you.

CAPRICORN
 (Dec. 22 to Jan. 19)
 A career opportunity comes now, but be careful of how you take into your confidence. Social life could lead to excesses or unwise expenditures. You'll pay for this in the long run.

AQUARIUS
 (Jan. 20 to Feb. 18)
 Some people you meet now seem petty, but you find comfort in your belief system. A church service or lecture is inspiring. Act on your convictions this evening.

PISCES
 (Feb. 19 to March 20)
 You could go overboard with the spending, unless you watch yourself. Would-be artists take brush in hand. The enjoyment of private pursuits is favored.

YOU BORN TODAY! deal very well with everyone around you in a fair-minded manner. You like to make a good impression on others, though you could be something of a loner. A natural critic of society and its values, you could be drawn to education and writing for the purpose of changing the status quo. You often have an outstanding ability for music and are at home in front of an audience. Friends are helpful to you, once you overcome a tendency to be suspicious of their motives.

Birthdate of Interior Secretary Bruce Babbitt; H. Ross Perot, billionaire; John Shalikashvili, chairman of the Joint Chiefs of Staff.
