195 OPPORTUNITIES

BRAIN WAVE RESEARCH
We are looking for healthy volunteers for our research on the electrical activity of the human brain. Call to find out if you qualify to participate. You can earn \$15 by going through our interview procedure, and possibly another \$20 when you qualify for research on emotion. In the brain Electrophysiology Lab, located in the Psychology Dept. of the University of Oregon, we are studying how the electrical activity of the brain changes with different emotional states. If we find after the interview procedure that you qualify, your brain waves will be recorded as you play a computer video game. All data is coded by number to maintain confidentiality. You may participate only if you are 18 years of age or older.

220 APARTMENTS (UNFURNISHED)
