

*At least there's one book  
you won't be spending a fortune on  
this semester.*

When you open a Student Checking Account from U.S. Bank, you get free checking for six months, fifty free checks, a free ATM/debit card, and a free 30-day trial of ON-Line Banking. Think your triple-digit physics textbook can top that?

To open a U.S. Bank Student Checking Account, call

## DEPRESSED?

You can earn \$15 by participating in our screening procedure, and possibly another \$20 if you qualify for research on emotion. In the brain Electrophysiology Lab, located in the Psychology Dept. of the U of O, we are studying how the electrical activity of the brain changes w/different emotional states. If we find after the screening procedure that you qualify, your brain will be recorded as you play a computer video game. If you are now feeling depressed, call Kate Harkness (346-4964) to set up a time for a screening. All data is coded by number to maintain confidentiality. You must be 18 years of age or older to participate.
