205 HELP WANTED

Horoscope by Frances Drake

For Wednesday, Oct. 9, 1996
ARIES (March 21 to April 19)
Don't be alarmed if there's some competition on the job. These joint ventures will only make you look better. Benefits also come from the help of loving friends.
TAURUS (April 20 to May 20)
Make sure that you are kind and giving to an unfortunate friend or family member down on their luck. Also, accept a social invitation from a prominent person on the job.
GEMINI (May 21 to June 20)
Make sure you keep up with chores around the home front. A surprise visitor from the past could stop in or call unexpectedly. Be alert for new moneymaking opportunities.
CANCER (June 21 to July 22)
It is important to consult with a partner before making a financial decision. Don't fuss too much if this person doesn't agree with you. It is important to listen, as you could learn something.
LEO (July 23 to Aug. 22)
Call it a bit of luck, but your charm brings revealing news about a job opportunity. Domestic plans also fall into place. A career move made a while ago pays off.
VIRGO (Aug. 23 to Sept. 22)
A surprising personal twist in your life gets you back on track. A cantankerous co-worker needs your understanding. Don't be impatient.
LIBRA (Sept. 23 to Oct. 22)
Your best bet for happiness is to follow the advice of a trusted friend. Don't be stubborn or you will regret it. Now is the time to concentrate on fun, rest and relaxation.
SCORPIO

(Oct. 23 to Nov. 21)
Remember that old saying, business and pleasure don't mix, now especially. Your priorities should be centered on the home front. Plan a special romantic evening.
SAGITTARIUS (Nov. 22 to Dec. 21)
If you use extra drive on the job, you will excel and come out on top. Remember, a career block is only temporary. A dream you've had becomes a reality.
CAPRICORN (Dec. 22 to Jan. 19)
There could be a minor delay in a promotion you were counting on. This is only a temporary setback. In fact, your financial future looks very promising.
AQUARIUS (Jan. 20 to Feb. 18)
A friend could be argumentative, but stand up for your rights. You will make your point, as you are more levelheaded. Stress cooperation in financial interests.
PISCES (Feb. 19 to March 20)
If a deal sounds too good to be true, then it probably is. Always remember to read the fine print on any agreement you sign. A problem on the job could mean some overtime.
YOU BORN TODAY have a very strong sense about right and wrong and have no tolerance for injustice. Early in life, if asked to cheat on a test or homework, you often find yourself taking some flak from your peers because you always take the high road ethically. Later in life, this integrity serves you well. You can imbue this same quality in those around you. A career in diplomacy or law appeals to you, as well as the academic life.
