Horoscope by Frances Drake

For Tuesday, Oct. 29, 1996

ARIES

(March 21 to April 19)
A domestic spat is likely unless partners agree to share responsibilities. Be cautious about making any domestic changes that are of a major nature. Children react negatively to this.

TAURUS

(April 20 to May 20)
Progress could be limited somewhat on the job. Concentrate on one thing at a time and don't scatter your energies. Accent the practical over the theoretical while engaged in an evening debate.

GEMINI

(May 21 to June 20)
Social life will soon be picking up, but right now, your mind's on career and new sources of income. Originality is accentuated. You're at your charming, outgoing best in a social situation after dark.

CANCER

(June 21 to July 22)
After an invitation to a club meeting, you could decide to join yourself. The accent is on interesting new people, places and activities. However, tend to domestic chores you've been neglecting.

LEO

(July 23 to Aug. 22)
Some promises made aren't likely to be kept. Know the difference between big talk and honest commitment. While out socializing during evening hours, avoid a tendency to overdo.

VIRGO

(Aug. 23 to Sept. 22)
There's some time for peace and quiet early in the day, but you could have to deal with some personality conflicts or interruptions later. Evening hours find you dealing with a meddlesome family member whose advice you don't appreciate.

LIBRA

(Sept. 23 to Oct. 22)
Extra career drive gives you a head start. You'll find this a fascinating

day socially. Make a point of saving rather than spending in order to shore up your finances.

SCORPIO

(Oct. 23 to Nov. 21)
Arrange a meeting with an adviser. Some are drawn romantically to someone met through work. Luck comes to you from friends during evening hours.

SAGITTARIUS

(Nov. 22 to Dec. 21)
You're easily misled regarding career and tend to ride roughshod over obstacles. It's in nonmaterial areas where you'll enjoy the most success. A quiet evening at home appeals most.

CAPRICORN

(Dec. 22 to Jan. 19)
Traveling could prove tiring. You'll profit through further study about an investment or business concern. Avoid an ideological dispute with someone who is set in his ways.

AQUARIUS

(Jan. 20 to Feb. 18)
Morning hours are best for career interests. Judgment in romance is off a bit and you need to stay rooted in reality. A stalemate is possible in a money matter, so be patient.

PISCES

(Feb. 19 to March 20)
There's a slight tendency toward boastfulness. On one matter, a partner won't budge. Be discriminating about your choice of friends.

YOU BORN TODAY wax poetic when you're championing a cause. Skilled in public speaking and debate, you are drawn to a field in which you can best exploit these talents. Politics is a natural for you since you not only give great speeches, you believe in what you're saying. In relationship matters, you tend to hang back a bit until you can gauge the character of the other person. Your intuition is usually on target.
