More than just a place for the... **CROSSWORD**

**Horoscope by Frances Drake**

For Wednesday, Nov. 13, 1996

**ARIES**  
(March 21 to April 19)  
You'll reach an understanding with a child. Some begin a creative project. Finances should improve in the coming weeks and career strides are possible.

**TAURUS**  
(April 20 to May 20)  
It could be a new hairdo or wardrobe for you in the coming weeks. You receive behind-the-scenes support in business from a surprising source. Evening hours favor recreational interests.

**GEMINI**  
(May 21 to June 20)  
Friends could easily distract you from what you have to do. A confusing situation could exist either with a family member or a close friend. Time takes care of this, so don't belabor the point.

**CANCER**  
(June 21 to July 22)  
Your outlook is positive, but there could be certain practicalities you're overlooking in connection with a career concern. Communications are not at their best. Mixed signals are a likely result.

**LEO**  
(July 23 to Aug. 22)  
You could find yourself spending time with a person who's not much fun to be with. A home matter is settled to your satisfaction. The evening finds you at loose ends.

**VIRGO**  
(Aug. 23 to Sept. 22)  
A close tie remains your best confidante. There's no sense in your springing your good ideas on a person who's not interested. Pay extra attention to details on the job.

**LIBRA**  
(Sept. 23 to Oct. 22)  
If you meet with a delay in business, you could just decide to call it quits for the present. Don't let things slide on the job, but persevere in your efforts. Satisfaction is ultimately achieved.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
Pleasure pursuits are favored, but your attitude toward spending could be inconsistent. Don't be penny-wise and pound-foolish. You're extravagant and must use caution.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
You could be reformulating some of your plans in connection with long-range financial interests. On the job, you could feel stymied about one project. However, much progress occurs with another endeavor.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Social prospects improve considerably. Singles enjoy romantic introductions and couples have happy times visiting with friends. An outburst of temperament is possible after dark.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
In-depth work is best for success. Don't skim the surface. You'll enjoy the company of co-workers, and evening hours find close ties in tune with each other.

**PISCES**  
(Feb. 19 to March 20)  
It's a good time for you to let others know how much you care. Your industriousness brings you success on the job. Monetary opportunities are in evidence.

**YOU BORN TODAY** are inventive, inspirational, and sometimes high-strung. You have original ideas and need a job that allows you the freedom to express your vision. Both the arts and sciences are likely to appeal to you. You work well with groups and often achieve a position of leadership in that capacity. You have a genuine interest in helping others and work hard to improve the lot of mankind whenever you can.
