BRAIN WAVE RESEARCH

We are looking for healthy volunteers for our research on the electrical activity of the human brain. In the brain Electrophysiology Lab, located in the Psychology Dept. of the University of Oregon, we are studying how the electrical activity of the brain changes with different emotional states. You can earn \$15 by going through our interview procedure. If we find after the interview procedure that you qualify, you can earn another \$20 by having your brain waves recorded as you play a computer video game. Call Kate Harkness (346-4964) to see if you qualify for the interview. All data is coded by number to maintain confidentiality. You must be 18 years of age or older to participate.
