**Horoscope by Frances Drake**

For Tuesday, Dec. 3, 1996

**ARIES**  
(March 21 to April 19)  
A loved one is feeling somewhat restricted by you and needs some space. Try not to be too overbearing and possessive. At night, you both enjoy getting together and sharing a good time.

**TAURUS**  
(April 20 to May 20)  
Your instincts are right concerning certain people you can't trust. All in all, though, it's a good time where interests of the heart are concerned. The evening is favored for good times.

**GEMINI**  
(May 21 to June 20)  
A bigwig is being very evasive about a big project you've been asked to undertake. Anything that concerns travel or education is favored. The evening finds you relaxed and self-confident.

**CANCER**  
(June 21 to July 22)  
Someone close to you needs your help, particularly concerning a business matter. New opportunities arise to enable you to get ahead. Pay close attention to little details.

**LEO**  
(July 23 to Aug. 22)  
You must tread carefully when it comes to financial dealings. There are some rather deceptive trends occurring that could mislead you. All in all, progress is made on the work front.

**VIRGO**  
(Aug. 23 to Sept. 22)  
A certain project at work has you puzzled and facing some unanswered questions. Seek help from an expert. Strengthening your position in business is favored.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Despite what you'd like to believe, not everyone is being honest with you. At the same time, a loved one communicates well with you. The evening is perfect for some high-stepping fun.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
You are correct to feel that a loved one isn't being forthcoming. Try to get to the bottom of this person's reticence. In matters of the heart, it's wise to ground yourself in reality.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
On the one hand, you have some good news financially. Conversely, occurrences at work are a source of confusion. Share happy times with loved ones at home in the evening.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Before acting, be sure that the signals you're receiving are correct. Someone is being deliberately misleading, causing you some confusion. You have trouble making a decision.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
Something you can't put your finger on is bothering you on the work front. People you need to reach aren't easy to get in touch with, so be patient. At home, harmony reigns in the evening.

**PISCES**  
(Feb. 19 to March 20)  
Your financial picture isn't clear, as there are mixed trends affecting it. Later in the day, though, there's good news about money. Someone is trying to take advantage of you.

**YOU BORN TODAY** are a natural competitor. Whatever you undertake, whether in sports or academically early on, you have to be the best. However, this gives you an unfortunate tendency to be somewhat of a sore loser. Once you learn how to temper your ego and drive, you are more successful in your relationships and even in your fields of endeavor. Athletically inclined, you are drawn to a career that would enable you to take advantage of this. Birthdate of: Ozzy Osbourne, musician; Andy Williams, singer; Anna Chlumsky, actress.
