205 HELP WANTED

Horoscope by Frances Drake

For Tuesday, Jan. 7, 1997

ARIES

(March 21 to April 19)
It's not what you say, but how you say it that counts. You'll be going out more for good times in the upcoming month, provided you can straighten out your budget.

TAURUS

(April 20 to May 20)
A family member needs extra personal attention from you, so be sure you make time for him or her. You're entering a cycle of hard work that will be rewarding.

GEMINI

(May 21 to June 20)
Unexpected developments occur in connection with family or property matters. A nice invitation comes from a friend later in the day. Familiar pleasure haunts suit you best.

CANCER

(June 21 to July 22)
The day's business opportunities please you, but you could have a change of heart about one project. Although your financial prospects improve, you need to exercise fiscal caution.

LEO

(July 23 to Aug. 22)
Others are responsive to your viewpoint. A power-play situation could arise concerning money. Beware those who are manipulative.

VIRGO

(Aug. 23 to Sept. 22)
Loved ones should avoid testing each other. You'll profit from some research you engage in concerning investments. Evening hours favor catching up on correspondence.

LIBRA

(Sept. 23 to Oct. 22)
You're articulate and present a good appearance in business. You come up with some money-making ideas that co-workers support. An argument could mar your social life.

SCORPIO

(Oct. 23 to Nov. 21)
You enjoy participating in a group activity. It's a time when you really share ideas. However, in business there's an irksome problem you need to resolve.

SAGITTARIUS

(Nov. 22 to Dec. 21)
Good advice comes from a friend, but unexpected developments in business could leave you feeling let down. Deceptive trends prevail. Scrutinize propositions carefully.

CAPRICORN

(Dec. 22 to Jan. 19)
The day brings with it some confusion. You could feel an adviser hasn't acted in your best interests. Travel is apt to be on the spur of the moment.

AQUARIUS

(Jan. 20 to Feb. 18)
You could get rid of some clutter. Evening hours are ideal for family interests and entertaining others at home. Don't make too much of a slight misunderstanding.

PISCES

(Feb. 19 to March 20)
You're convincing in manner and speak with authority. However, it's not an especially good time for tackling work projects. Accent affectionate ties in the evening.

YOU BORN TODAY have executive and communicative skills. You're good at promotional work and have an enterprising spirit. Your talent for expressing yourself is an asset to you in both business and the arts. You're often drawn to acting and have the ambition to make it to the top. Your charm often paves your way to success, and you may have no special liking for hard work. Still, you set your sights high.
