220 APARTMENTS (UNFURNISHED)

Horoscope by Frances Drake

For Saturday, Jan. 11, 1997
ARIES
(March 21 to April 19)

Use your charm to get along with a touchy co-worker. Be careful about making snap decisions about money in the next few weeks. A tempting shopping spree is likely soon.

TAURUS

(April 20 to May 20)
You're on the same wavelength with a close tie. Evening hours find you tackling a domestic chore. You're entering a cycle that favors new beginnings, both personally and in business.

GEMINI

(May 21 to June 20)
You could go on an overnight trip. You're serious and optimistic about your career. Mental work goes well, but beware of taking an unwise financial risk.

CANCER

(June 21 to July 22)
A measure of secrecy is best in financial interests. Be closed-mouthed about an opportunity that comes your way via an unexpected source. You tend to be contrary.

LEO

(July 23 to Aug. 22)
You could incur some jealousy in connection with the job. Delightful times occur with partners and friends. An evening get-together provides happy social moments.

VIRGO

(Aug. 23 to Sept. 22)
Morning hours are the most productive. You could receive some long-awaited recognition in connection at work. Romantic feelings are strong but potentially troublesome.

LIBRA

(Sept. 23 to Oct. 22)
You find a get-together with friends stimulating. With a close tie, you could be bossy. Try not to let your ego undermine your effectiveness.

SCORPIO

(Oct. 23 to Nov. 21)

The way is clear for you to make business progress. Talks with higher-ups prove fortunate. In a personal relationship, you could start nagging too much.

SAGITTARIUS

(Nov. 22 to Dec. 21)
Either you're not seeing things clearly or you're not hearing the truth from others. You could have a sudden urge to tackle an unfinished chore, leading you to spend more time at home.

CAPRICORN

(Dec. 22 to Jan. 19)
You make new friends, and you could encounter a person from the past. While out shopping, don't be duped by a smooth-talking salesperson's line.

AQUARIUS

(Jan. 20 to Feb. 18)
You bring a work project to a successful conclusion. You also want some time for yourself. Domestic pursuits afford more satisfaction than outside pleasures after dark.

PISCES

(Feb. 19 to March 20)
Romantic feelings grow stronger, and it's a lovely time for singles to meet new people. Be sure to accept any invitations that arrive. Watch late-night moodiness.

YOU BORN TODAY have a natural talent for the written and spoken word and find success in a related field. A sensitive type, you often fall into doldrums over the state of the world. However, you can be counted on to rally and spread optimism to those who need it. An unconventional lifestyle suits you best, and you are likely to be labeled "bohemian" by those who know you best. You finally settle down later in life. Birthdate of: Joely Richardson, actress; Naomi Judd, singer; Stanley Tucci, actor.
