Last chance to order your favorite oldies. Remember 3 for \$12, or 5 for \$15, or 10 for \$20, that's cheaper than wholesale prices. And that means you can buy 3000 posters easily, so you can start a poster shop in town to pay for your tuition. So you don't have to beg your parents for money anymore. So you become a capitalist (what wrong with that?) and start reading Forbes and Money etc. etc. etc.
