Horoscope by Frances Drake

For Friday, Jan. 17, 1997

ARIES

(March 21 to April 19)

You're just not in the mood for hard work, and it would be easy for you to let things slide. Do your best to accomplish what is expected of you. Bigwigs are watching.

TAURUS

(April 20 to May 20)

A friend is inscrutable and manipulative, and perhaps best left to his or her own devices. You don't have the time for games. Watch excess spending.

GEMINI

(May 21 to June 20)

You could be all talk and little action. Don't let matters slide on the job. Evening hours find you in a romantic mood, and partnership interests are highlighted.

CANCER

(June 21 to July 22)

Although you're in a pleasure-seeking mood, you could be unsure of where you stand. Business and pleasure combine to your advantage. After dark, you take the social spotlight.

LEO

(July 23 to Aug. 22)

Others gladly cooperate with you, as long as you're not too demanding! It should be a positive day for your career interests.

VIRGO

(Aug. 23 to Sept. 22)

Investment moves are favored. Try not to be bossy with close ties. Leisure activities in the evening are more fun than a barrel of monkeys.

LIBRA

(Sept. 23 to Oct. 22)

You're not able to spend as much time as you'd like with a close tie. Be leery of financial proposals, which could be deceptive and lead to disas-

SCORPIO

(Oct. 23 to Nov. 21)

Minimize stress since you could overtake yourself. Your intentions are good, but you just might not get around to tackling that work-related project. It's all right to let it slide.

SAGITTARIUS

(Nov. 22 to Dec. 21)

Spend time with friends rather than pursuing career-related goals. Some people just aren't in the mood to hear what you have to say.

CAPRICORN

(Dec. 22 to Jan. 19)

You have some business luck, but you also could be irritated with an adviser. Extra expenses are likely for those who are traveling. A surprise phone call lights up the evening.

AQUARIUS

(Jan. 20 to Feb. 18)

A quarrel about money could occur. However, you're on the same wavelength with a loved one, and you share happy times in each other's company.

PISCES

(Feb. 19 to March 20)

Although it's a good time to impress others important to your business, it's a poor time for actual hard work. Don't make too many demands on yourself.

YOU BORN TODAY work well with groups and might be drawn to politics and community service. You might serve the public as a counselor, for instance. Although you have good insights into others, a part of you might remain aloof. You have a decided philosophic bent and might choose an academic or religious career.
