Horoscope by Frances Drake

For Tuesday, Jan. 21, 1997

ARIES
(March 21 to April 19)
Some problems you had a while ago come back to haunt you. In the friendship area, you need a good talk to clear up any possible misunderstandings.

TAURUS
(April 20 to May 20)
You get more accomplished of a job-related nature at home than at the office. Try not to let small concerns get in the way of relationship harmony. Be more open-minded.

GEMINI
(May 21 to June 20)
You're not at your usual efficient peak early on. Moodiness could get in the way of accomplishment. Some are thinking of going on that dream vacation in the near future.

CANCER
(June 21 to July 22)
Don't get into the rut of rehashing old problems. It's the right time for couples to enjoy new pursuits together. Forget about the past and concentrate on how to make your life better.

LEO
(July 23 to Aug. 22)
A family member has some exciting new plans. Extravagance and poor judgment make this a poor time to go shopping. Do your best not to spend too much.

VIRGO
(Aug. 23 to Sept. 22)
You could be in a quandary about spending money, but when it comes to earning it, you know exactly what you're doing. There is much progress made on the work front.

LIBRA
(Sept. 23 to Oct. 22)
Romance awaits those who can get away in the next few days. Morning hours find you concerned about a domestic matter. After dark, you'll

be getting together with an old friend.

SCORPIO
(Oct. 23 to Nov. 21)
It's hard to get a work project off the ground and the result could be some nervous tension. By nightfall, though, you're ready for good times.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You could meet someone who interests you romantically through your job. There will be an increase in local travel on your agenda soon. On the home front, you add a new decorative touch.

CAPRICORN
(Dec. 22 to Jan. 19)
You'll sit on the fence for a while before making up your mind about a career matter. The pieces of the puzzle do fit by day's end. Progress is the result.

AQUARIUS
(Jan. 20 to Feb. 18)
It's best to put a situation on hold until you know exactly what you want to do. A quiet evening at home is just what you need.

PISCES
(Feb. 19 to March 20)
Worries about finances prove unfounded. Travel would afford you great pleasure, if you can spare the time. Accent family life after dark and show loved ones how much you care.

YOU BORN TODAY enjoy adventure and good times but do best where you've settled into a position of responsibility. You have a way of injecting new life into old endeavors and are a positive force for community betterment. You have a dynamic personality and do well in fields where personal contacts are a factor. Sales and brokerage are natural areas of appeal.
