Horoscope by Frances Drake

(Oct. 23 to Nov. 21)

ARIES
(March 21 to April 19)
Students are able to concentrate on their studies. They must remember, though, to stay away from bad influences. Partners are easier to understand, but care is needed financially.

TAURUS
(April 20 to May 20)
You're busy making new friends, but none of them is to a close tie's liking. A change of plans works out for the better. Be confident in your dealings with bigwigs.

GEMINI
(May 21 to June 20)
You're more yourself than you have been in recent days. Career priorities should take precedence over social affairs. Be professional and aggressive at the same time.

CANCER
(June 21 to July 22)
Instead of worrying about problems, take direct action toward solving them. You could work overtime on a project, but this adventure brings financial gain. A quiet evening at home beckons.

LEO
(July 23 to Aug. 22)
Artistic appreciation is enhanced. Your charm opens doors and new opportunities come through friends. It's the perfect day for business dealings with higher-ups and co-workers alike.

VIRGO
(Aug. 23 to Sept. 22)
Immediate tasks could have you stymied, but last-minute career developments are to your advantage. Capitalize on opportunity. Be calm, yet confident, as you tackle your various projects.

LIBRA
(Sept. 23 to Oct. 22)
You sparkle among friends as the limelight is yours. Others find it hard to resist your appeal or to say no to your requests. Just be charming and the world is your oyster!

SCORPIO

A social engagement is subject to change. Although a home worry seems to cramp your style, there's nothing stopping you career-wise. The sky is the limit for you professionally.

SAGITTARIUS
(Nov. 22 to Dec. 21)
If you need assistance on a project, you'll get the help you need from a surprising source. Some are drawn romantically to someone met through a close friend. This encounter is ultimately not to your liking.

CAPRICORN
(Dec. 22 to Jan. 19)
Your best bet is to finish tasks at hand instead of beginning new projects. First things must come first. Also, look out for the elderly in your family and their well-being.

AQUARIUS
(Jan. 20 to Feb. 18)
A travel plan needs further thought. There are certain things that need to be done around home base before taking off for parts unknown. Honor commitments and remember, family is very important.

PISCES
(Feb. 19 to March 20)
Meet extra duties in connection with a club willingly. A friend could rub you the wrong way by insisting on getting his own way. Keep up with distant ties and have a wonderful day.

YOU BORN TODAY belong in public service. You have a good grasp of the larger issues that affect mankind and could be drawn to law, politics and administration. You're progressive by nature, but at times skeptical. Early in life, your ideas lean toward the liberal, but you become more and more conservative as you age. In artistic areas, your output is usually striking. Once you learn to harness your tendency toward shooting off your mouth indiscriminately, you are a success.

Birthdate of: Rutger Hauer, actor; Chita Rivera, actress; Anita Pointer, singer.
